FROM THE PRESIDENTS DESK

PNG CHAMBER OF COMMERCE & INDUSTRY

Three successive meetings of the Chambers of Commerce umbrella organization, the Papua New Guinea Chamber of Commerce & Industry (PNGCCI), were held on Wednesday this week.

First at a special general meeting, the members resolved to register the organization as an incorporated Association, and approved a set of rules by which to operate. This successfully brings to an end the organization operating as a limited Company.

Secondly at a Quarterly Executive meeting, members from a wide range of regional Chambers around the country bought forward the issues that are faced by businesses throughout PNG. It is probably not surprising that there is a general commonality of problems, and the executive have put together various strategies in which to address these. A process of feedback to the regional chambers will be set up, so that we can have a gauge of successes and failures.

Thirdly at the Annual General Meeting, a new executive for the PNGCCI were elected, as set out below:

PRESIDENT	John Leahy
Vice President	Peter Diezmann
Immediate Past President	Michael Mayberry
Secretary	Phil Franklin
Treasurer	David Guinn
Executive Members	All Presidents from Regional Chambers
Executive Member – Board Representation	Ian Tarutia
Executive Member – Regional Co-ordination	Reg Monagi

The PNGCCI is looking forward to entering a new era as an Association and with this Board Structure in place it aims to provide an even better representation for Regional Chambers at the National level.

Objectives
of the LCCI

- To promote the business interests of the private sector;
- To further the economic development in Lae;
- To ensure the provision of services and utilities essential to such development;
- To provide a representative body for business people, which government can consult;
- To promote support or oppose legislation; or take any other measures to improve the business community;
- To provide a forum for discussion of private sector goals;
- To pool the strengths of business people so that together, they can accomplish tasks that each one alone cannot achieve;
- To promote the economic viability of the area, so those current businesses will grow and new ones will be developed locally;
- To provide business with a common voice.

ELECTIONS

As promised last week the Electoral Office has provided a copy of the POLLING SCHEDULES for the 2012 elections, for the **Lae Urban Area**. I attach a summary of the schedule to this newsletter and ask that it be displayed in a prominent place in each company; to assist your employees as to where they can vote.

There are rumours that the polling date for Lae has been changed back to Saturday, but this is not true. The Lae Urban elections will be held on one day only –

Tuesday 26th June 2012.

The Polling hours will be from **8 AM to 6 PM.**

The Lae Urban areas include voting for the three open electorates:

1. Lae
2. Nawae - Malahang and Bumayong areas
3. Huon – extends as far as 11 mile and Awilunga

The Electoral Commission has requested that Companies allow staff time off to perform their voting duties on the polling day of Tuesday June 26th, and suggest either the full morning or afternoon be allowed for this.

YOUR SECURITY DURING THE ELECTIONS

The Police and the PNG Military have been engaged in several joint security exercises in Lae and are well prepared to handle the elections and any election related incidences in the Lae City. The Police with the extra Defence Force personnel will be in a good position to keep Lae as peaceful as possible during the election period.

As the elections in the Lae Urban area will be held over one day only, and with the beefed up security, we do not expect any large scale election related issues. As normal there will likely be squabbles between candidates and their supporters, but the Police should be able to contain these, and control major out-breaks if they occur.

We will continue to meet with the Police to get an update on their action and any reported problems and we will advise members accordingly.

LCCI WEBSITE DEVELOPMENT

The feedback on our website is extremely encouraging. We have been able to refer requests for information, to our website as the information is up-to-date and reliable. The website is now nearing the end of its redevelopment stage but there are still adjustments to go.

Kuakawa Solutions a Sydney based company with strong PNG links has provided a most helpful service to develop this site.

The **LCCI MEMBERS SECTION** provides a list of member companies. The list is not yet complete, and includes those companies that have provided links to their own website.

We advise that we are currently working on an inset to list all members of the LCCI, including those without websites.

Please send any further comments or suggestions on the website direct to our email address – lcci@global.net.pg. The website is at www.lcci.org.pg.

Campaign

“SAVE A MOTHER-SAVE A BABY-SAVE A FAMILY” CAMPAIGN 2012-2015

The health status of the people of PNG is still very poor compared to the neighbouring countries. The infant mortality rate is 82/1,000 and the < 5 years child mortality is 40/1000 (*National Health Plan Minimum Standard page 1*). PNG has a maternal mortality ratio of 733/100, 000 making it second highest in the Asia Pacific second only to Afghanistan (*Reducing Maternal and Child Deaths page 4*).

To improve maternal health, Soroptimist International Lae has chosen to start the “Save a Mother-Save a Baby-Save a Family Campaign” in Huon Gulf District which records shows that 2-4 mothers die every year (*Raw Data*). Every year 2000 babies are born in the district and there is very limited health staff (1: over 1000 population) and both male & female community health workers assist to deliver babies. In terms of accessibility of health centre services, the bulk of inland population walk hundreds of kilometres to reach operating health centres in the district which is similar to other districts in PNG. Village Birth attendants then are very useful with assisting with midwifery work in areas that are rural and remote with no health worker, however, they lack very basic important universal precaution materials to help them deliver babies. On the other hand most importantly, mothers and babies lack very basic health items like (towels, fabrics, napkins, hygiene packs, soap, nutritional meals etc.) which add to diseases and other complications that cause deaths. As Soroptimist International Lae is mobilizing resources to train more Village Birth Attendants and provide them with birthing kits, the organization is inviting all professional working class women and girls to come join the “Save a Mother-Save a Baby-Save a Family” Campaign.

We need towels, fabrics, soap, hygiene packs, napkins and baby blankets to take to remote rural villages. We would also like to extend this similar project to our other districts in PNG and it may be your village, your district. You can also join our team in your free time, so we can deliver these items to remote areas - a service with personal development and adventure in itself. There are also other international travel benefits attached to our organization and we welcome you to join us.

If you want to join the “Save a Mother-Save a Baby-Save a Family” Campaign, call Ms. Meredith Tutumang on [Ph-71940910](tel:71940910) or Email: mtutumang@gmail.com.
