Dear Sir,

**RE: CONTRACT NO: SC31-PR-13BY  
REHABILITATION AND UPGRADING OF LAE CITY ROADS – STAGE 3: PAVEMENT STABILISATION  
AND CONCRETE SURFACING OF AIRCORPS ROAD FROM MOROBE AVENUE/AIR CORPS ROAD  
TO MARKAHAM/BUTIBUM ROAD  
Traffic Management Plan – Seeto Kui to SvS Roundabout**

The Contractor would like to inform you of a traffic management plan to manage the traffic flow as the work progresses to the section of the road between Papindo Head Quarters and Roundabout (SVS). Attached is the schematic illustrating the plan.

- Right hand (Market Side) lane of Aircorps Road starting Papindo HQ will be blocked off all through to Roundabout (SVS).
- Left lane of Aircorps Road from ANZ to the Market and SVS Roundabout will be accessible for vehicles by creating two lanes.
- As per the traffic plan, Vehicles with a destination to Mainland plumbing, will access via Laurabada Ave & Cederbank St.
- Vehicles with a destination to Seeto Kui Hyper mart and Highway Automotive and Papindo will be accessing via the pedestrian footpath and car park.
- PMV buses will be routed via Malaita St and Kisere st to and fro their destination the existing bus stop.
- Public or Customers with a destination to the Market will be accessing through the car park facing Aircorps Road and via Mangola St

This traffic Management plan that will take effect as soon as the work is in progress and appeal to all business houses to adhere for a smooth and efficient traffic flow.

Yours faithfully,

Michael Bumae  
Project Engineer
